Good morning ORA! In less than two weeks Region 5 will undergo it's realignment. That is both an exciting opportunity and a time of reflection as some of our long-time ORA colleagues prepare to become part of new organizations. Before that happens, I want us to gather one more time as today's ORA.

I am inviting everyone to stop by the Regional Administrator's large conference room (R1932) from 10:00 AM to 11:00 AM on Tuesday, April 23rd. Marjorie will be sending an appointment. Please come to mix and mingle and share memories and excitement ... Cubs or Sox or Indians! There will be breakfast-style treats and coffee. (Don't worry Cleveland – Brooke and I have not forgotten you – surprise coming your way as well over lunch.)

Remember, for every end of an era there is a new beginning. There will still be meetings and projects and events where our work will continue to bring us together. We remain strong and connected as Region 5.

See you Tuesday!
